

Group Hospital Indemnity Insurance Coverage Highlights - Tier 3

Assurity's plan keeps it simple by providing coverage for confinement in a hospital, intensive care unit (ICU), sub-acute ICU or rehabilitation unit, and a child care benefit. This plan may be customized with riders to enhance coverage. Employers may select either a fixed lump-sum hospital admission benefit or an increasing lump-sum hospital admission benefit based on the number of days confined.

Hospital Indemnity Admission - Payment Options

Fixed Lump Sum	\$1,000	\$1,500	\$2,000				
- OR -

		\$500	\$1,000	\$2,000	\$3,000	\$4,000	\$5,000

Pre-existing Condition – Pre-existing condition means a covered sickness or physical condition for which, during the 12 months before the issue date, an insured person received medical consultation, diagnosis, advice or treatment from a physician or had taken prescribed medication. Assurity will not pay benefits concerning a pre-existing condition unless the certificate has been in force for 12 months from the issue date.

Waiting Period – The Critical Illness Certificate Rider may have a waiting period, meaning the 30 days following the rider's issue date or ten days following the last reinstatement date. The date of diagnosis must be after any waiting period.

Newborn Child Confinement – Assurity will not pay benefits for a newborn child's confinement in a hospital, including any transfers to another hospital before such child is discharged to his or her home, unless the newborn child is confined to the hospital for treatment due to a covered sickness or injury sustained in a covered accident.

Termination – The policy will terminate for any of the following reasons: cancellation of the policy by either the policyholder or Assurity, upon at least 61 days' written notice; the premium is not paid by the end of the grace period; the number of participating employees or members is less than the number mutually agreed upon by Assurity and the policyholder in the signed group application; the policyholder does not promptly provide Assurity with information that is reasonably required; the policyholder fails to perform any of its obligations that relate to the policy; the policyholder no longer offers coverage to a particular class of employees or members; the policyholder no longer serves a class of employees or members who reside in a particular geographical area; or the number of participating employees or members changes by 25% or more. Coverage under a certificate will terminate and no benefits will be payable on the earliest of the following: the date the master policy terminates; when any premium due is not paid by the end of the grace period; the date the employee or member no longer meets the definition of employee or member, unless coverage is continued as described in the portability or continuation of coverage section; the date the employee or member's class is no longer eligible; the date Assurity receives written notice to terminate, unless the notice specifies a later date; when the employee or member establishes residence in a foreign country; upon the employee or member's death; or for any certificate rider, the date the certificate terminates for any reason.

Exclusions – Assurity will not pay benefits for losses that are caused by or the result of any insured person: having elective procedures that are not medically necessary; receiving services provided outside the United States; voluntarily inhaling gas; having cosmetic care, except medically necessary reconstructive surgery; being confined primarily for rest care or convalescent care; having a covered sickness or injury covered under Worker's Compensation, an Employer's Liability law or similar law; being born, unless the loss is the result of a covered sickness or injury; being pregnant, experiencing pregnancy related conditions (other than complications of pregnancy), giving birth or otherwise terminating pregnancy during the 10 month period immediately following the issue date; receiving routine newborn nursing or well baby care; operating, learning to operate, or serving as a crew member of any aircraft; engaging in hang-gliding, hot air ballooning, bungee jumping, parachuting, scuba diving, sail gliding, parasailing, parakiting, mountain or rock climbing, B.A.S.E. jumping, sky diving or cave diving; riding in or driving any motor-driven vehicle in an organized race, stunt show or speed test; officiating, coaching, practicing for or participating in any semi-professional or professional competitive athletic contest for which any type of compensation or remuneration is received; being exposed to war or any act of war, declared or undeclared; actively serving in any of the armed forces, or units auxiliary thereto, including the National Guard or Army Reserve, except during active duty training of less than 60 days; suffering from a mental and nervous disorder; being addicted to drugs or suffering from alcoholism; being intoxicated or under the influence of an illegal substance or a narcotic (except for narcotics used as prescribed to the insured person by a physician); having dental treatment except as the result of an injury; committing or attempting to commit a felony; being incarcerated in a penal institution or government detention facility; participating in a riot, insurrection or rebellion; engaging in an illegal occupation; intentionally self-inflicting an injury; or committing or attempting to commit suicide, while sane or insane.
